# Presbyterians Sharing 2010

Goal for congregations in 2010: \$8,675,000

Let us work and pray together as we consider how to meet our target!

## Together we are *Presbyterians Sharing!*

*Presbyterians Sharing* is the national fund that supports the mission and ministries Presbyterian congregations do together in Canada and around the world. Our gifts create, sustain and renew congregations. We support inner-city, native, refugee, urban, remote and chaplaincy ministries. We equip church leaders for Christian education, worship, evangelism, mission, stewardship, youth ministries and justice work. Together we train ministers and lay leaders through our theological colleges. We recruit and send mission personnel to serve our partners around the world, facilitate exchange visits and work with other churches in ecumenical partnerships. Together we speak on issues important to us at national and international forums.
